Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's Representative discussed the rejection of the claims in the Final office action mailed on 12/14/2006. Specifically, the heading in the rejection indicates three references were used to reject all the claims but only two references were applied and cited in the body of the rejection. The Examiner agreed that the rejection of claims 1-38 was improper and therefore, the Examiner withdraws the rejection of claims 1-38 mailed on 12/14/2006. A new office action will be forthcoming. .
